

Incorporating the Immediate Full Arch Fixed Solution Into Your Practice

A 2-Day Advanced Program for Experienced Dentists and their Teams

This 2-day program will showcase all the steps involved in the diagnosis, treatment planning, and execution of immediate provisionalization for the full arch fixed solution. Through lectures, live surgeries and hands-on training, you will understand this remarkable same day solution for completely edentulous patients and those with a terminal dentition.

- **Case selection and treatment planning**
- **Pre-operative, surgical and prosthodontic workflows.**
- **Hands-on experience for the conversion of a removable complete denture into a fixed immediately inserted transitional prosthesis.**
